

SOLAR, WIND & HYBRID SYSTEMS

Clean, **Cost-effective Energy Efficiency and Renewable** Energy Initiatives

PRODUCTS

- Photovoltaic (PV) Panels
- Inverters & Battery Storage
- Electric Vehicle (EV) Charging Stations
- Solar Street Lighting
- Building Management Systems
- Power Management (SIEMENS)
- Wind Turbines
- Solar Charging Stations

SERVICES

- Procurement
- Installation
- Operations and Maintenance
- Take Out Maintenance
- Troubleshooting
- Integration
- Wind/Solar Hybrid Installation

SIEMENS

VersiCharge™ AC series
